

## COACHING PRINCIPLES

- ❖ We are Volunteers, doing this knowing we will put in more than we ever expect to get out
- ❖ Safety is the Number One priority
- ❖ Enjoyment is next
- ❖ We coach to develop players, it is not about winning
- ❖ Get the development right, the rest will follow
- ❖ There is no room for ego, it's about the kids, not the coach
- ❖ We commit to the club philosophy, on and off the pitch
- ❖ We set an example, adhering to club values, on and off the pitch

The club will outlast us all, our role is to maintain the foundations
